Dear Dean Moran:

The Southeastern American Association of Law Libraries would like your help in informing students of the opportunities in Law Librarianship. Enclosed are brochures and information sheets about the American Association of Law Libraries and the Southeastern chapter. Please feel free to post these for the students' information.

I have also included several SEALL application/brochures. Students may be "associate" members of the chapter for \$10/year. Because your students are in the SEALL region, we are especially interested in keeping them informed of our activities. The Information & Library Science students are welcome to attend our annual meeting and institute in Tuscaloosa, Alabama, March 14-16, 1991. I will send detailed registration information in January.

Law libraries provide challenging career opportunities for graduate library students. We are interested in attracting qualified, talented individuals into the profession. If you or anyone needs additional information or brochures, please do not hesitate to contact me or Sue Roach, Chair of the Membership Committee. Sue's number and address are on the SEALL brochures. Thank you for helping us keep in contact with local students.

Sincerely,

Martha E. Thomas
